

Telling Your Story

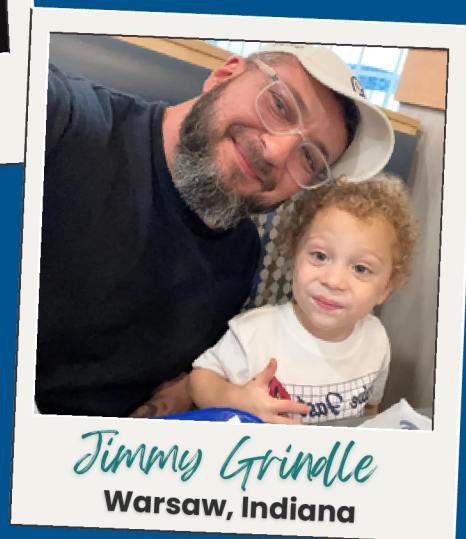

A NIGHT WITH AUTHENTIC STORYTELLING OF PERSONAL JOURNEYS IN RECOVERY

Gather at the Recovery Engagement Center for small group storytelling and conversation with local leaders, Ciara Bolling and Jimmy Grindle! Enjoy comfort foods served in an old-school classic Potluck dinner and relaxing table activities. This event is not meant for children under the age of 15.

Ciara got sober at 21 after multiple attempts at recovery and learned that the journey doesn't stop after sobriety begins.

Jimmy felt unshakable after his sobriety began through unimaginable loss, but his story reveals how the quiet danger of resentment can undo even the strongest recovery.
